

Arthur

A six-time Emmy Award-winner, this daily half-hour animated series, based on Marc Brown's best-selling Arthur adventure books, shows how Arthur and his friends use effective, age-appropriate problem-solving skills. Each episode consists of two independent stories focusing on themes and events central to children's lives. Whether facing down a bully, worrying about a new teacher or being the very last person on earth to lose his baby teeth, Arthur and his friends manage to solve their crises with imagination, kindness and a lot of humor.
