

**ODD SQUAD** is a live-action media property designed to help kids ages 5-8 learn math. The show focuses on two young agents, who are part of the Odd Squad, an agency whose mission is to save the day whenever something unusual happens in their town. A math concept is embedded in each of their cases, as the agents work together to problem-solve and correct the oddity du jour in each episode. **ODD SQUAD** is created by Tim McKeon (*Foster's Home for Imaginary Friends*, *Adventure Time*, *The Electric Company*) and Adam Peltzman (*The Electric Company*, *The Backyardigans*, *Wallykazam!*) and produced by Sinking Ship Entertainment and The Fred Rogers Company.

<b>Events/Activities</b>	<p><b>Odd Squad: Be The Agent Camp</b></p> <p>At the “Be the Agent Camp,” children will take on the role of an Odd Squad Agent, just like the ones in the show. Campers spend five days as Odd Squad agents, solving odd cases and creating useful gadgets by using teamwork, math knowledge, science inquiry practices, the engineering design process, and creativity.</p>
